Ashar Ijaz

has successfully completed the online Professional Certificate

Meta Front-End Developer

This 9-course program prepares learners for an entry-level career as a front-end developer.

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
