PROFESSIONAL SUMMARY

I am a Computer Science student with a strong focus on Front-End Web Development and Java Desktop Applications. I actively use modern AI tools to write clean code faster, build secure websites, and design beautiful user interfaces. I love building practical software, ranging from responsive E-Commerce stores to complete Point of Sale (POS) systems. I am looking for opportunities where I can use my coding skills and AI-assisted workflow to solve real-world problems.

KEY SKILLS

Web Development: HTML5, CSS3, JavaScript, React.js, Tailwind CSS

Software Development: Java, Java Swing, Object-Oriented Programming (OOP)

Databases & Backend: SQLite, Firebase (Real-time DB, Authentication)

Modern Workflow: AI-Assisted Coding (Prompt Engineering), Git & GitHub, Shopify Store Setup

KEY PROJECTS

Crown Mill Store (E-Commerce Web Application)

React.js, Tailwind CSS, Firebase

- Built a responsive luxury e-commerce platform featuring a modern glass orphism UI and a dynamic shopping cart.
- Integrated Firebase for real-time data sync and secure user authentication.

Smart POS System (Desktop Application)

Java, Java Swing, SQLite

- Engineered a Java-based POS desktop software featuring inventory management, an admin panel, and an automated barcode generator.
- Used SQLite for lightweight, reliable, and offline data storage.

- Built a modern developer portfolio with a glass orphism dark theme, featuring scroll-reveal animations and dynamic typing effects.
- Configured a fully working contact form using FormSubmit.

EDUCATION

BS Computer Science

2024 - Present

Khwaja Fareed University of Engineering & Information Technology (KFUEIT)

Currently in 5th Semester.

Intermediate (FSC Pre-Medical)

2022 - 2024

Alpine College of Science

Matriculation (Science Group)

2020 - 2022

The Educators

CERTIFICATIONS

- **Google Digital Marketing & E-commerce Professional Certificate** - Coursera (Issued by Google)
- **Google IT Automation with Python Professional Certificate** - Coursera (Issued by Google)
- **Introduction to Cyber security** - Cisco Networking Academy
- **Endpoint Security** - Cisco Networking Academy
